

CARIBOU::CEvent

```
classDiagram
    CARIBOU::CTimerEvent --|> CARIBOU::CEvent
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'CARIBOU::CTimerEvent'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'CARIBOU::CEvent'. This indicates that 'CARIBOU::CTimerEvent' inherits from 'CARIBOU::CEvent'.
