

CARIBOU::CObject

```
classDiagram
    CARIBOU::CFile --|> CARIBOU::CObject
```

A UML class diagram illustrating inheritance. At the bottom is a gray-shaded box labeled 'CARIBOU::CFile'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'CARIBOU::CObject'. The arrow indicates that 'CARIBOU::CFile' inherits from 'CARIBOU::CObject'.

CARIBOU::CFile
